PROFILE

I am a 3D character animator with intuition and an eye for detail. Experienced in production environments, receiving feedback from the Animation Director and Supervisor and collaborating with other Animators and the Rigging team, always pursuing a more efficient pipeline with custom scripts and tools.

I am excited to join a team-working production and animate life!

EXPERIENCE

3D ANIMATOR - FALL GUYS DEMO
PASSION PICTURES (BARCELONA, SPAIN) | OCT 2025 - NOV 2025
Developed multiple comedic clips of Fall Guys for a an Unreal Engine Demo. Studied comedic timing and appeal, while keeping up with the short deadlines.

3D ANIMATOR - THE SHEEP DETECTIVES
PANOT STUDIO (BARCELONA, SPAIN) | JUN 2025 - OCT 2025
Working remotely for Framestore London on the animation of hyper-realistic sheep. Using precise references for all movement, animating lip-sync and following direction from the Supervisor.

JUNIOR/MID 3D ANIMATOR - DIE SCHULE DER MAGISCHEN TIERE 4
LUMATIC (BERLIN, GERMANY) | NOV 2024 - JUN 2025
Continued exploring a more stylized animation look through new characters and parkour sequences, pushing the appeal. Developed tools with Python and MEL that helped the animation department.

JUNIOR 3D ANIMATOR - DIE SCHULE DER MAGISCHEN TIERE 3
LUMATIC (BERLIN, GERMANY) | NOV 2023 - JUN 2024
Animated a variety of animal characters with lip-syncs, studying references and learning from their anatomical behaviours.

3D CHARACTER ANIMATOR FOR SHORT FILM - EL MEGA ROBO
ECIB (CINEMA SCHOOL OF BARCELONA) | OCT 2022 - SEP 2023
Collaboration with the Director and other animators, I realized ideas and constructed the story from beginning to end.
